Riverton Calisthenics Girls Win National Championships

Dr Mike Nahan, the Member for Riverton congratulated the members of the Riverton Calisthenics Club on their outstanding results in both the team and individual events at the recent Calisthenics National Championships held in Queensland on the Gold Coast.

"The WA senior and sub junior teams took out first place at the national competition, with the intermediate team scoring third and the junior team coming fourth. That is a remarkable achievement for the local calisthenics team," said Dr Nahan.

"In addition, Tahni Green and Ashleigh Greaves won the Senior Calisthenics Duo competition and young Bianca Mcliver won the Junior Graceful Open competition. The girl's accomplishments are a direct result of their dedication to the sport and they have done themselves and the community proud."

"The girls have some wonderful memories of the competition and I wish them and the club every success for the future."

The Riverton Calisthenics Club was founded in 1969 and it is one of the most successful A Grade clubs in WA. It holds weekly classes at local halls in Riverton, Lynwood and Cannington. For information on session times please call Sally Masters on 9259 4894.
